## Region Rover Council Report

February 2010

The 1<sup>st</sup> meeting for this years Waratah was held on Monday 1<sup>st</sup> February at Windsor RSL Club, with all major positions being filled.

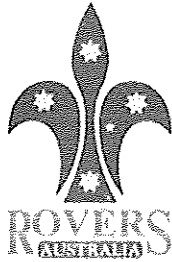

A decision was made on the theme being 'The Van Arkle Affair' which is based around Spies, to be held on the 12<sup>th</sup> - 14<sup>th</sup> November 2010, with site TBA.

I'm the HR Team Leader and will be recruiting as many volunteers as possible to help out prior and during the event, as the team will require help in all aspects of the running of the event.

The Waratah Team has also made the offer of including a Rover Liaison on their team, this person will be responsible for helping with the recruitment of Rovers to help at the event. They will attend the monthly Waratah meeting and submit a report each month, report back to RRC, visit each Crew within GWS Region with information on what would be required of Rovers on the weekend, and also act as a contact point for Rovers before and during the Waratah weekend. The Rover Liaison will work as a part of the HR Team and will report to HR Team Leader. The Rover Liaison needs to be approved by either the RRC Executive, or the RRC as a whole.

On the recommendation of the Waratah Team, we would like to put forward Glen Johnston for the Rover Liaison position. Glen was current at the meeting on Monday night and the team have already spoken to him about what the position involves and Glen would be willing to take the position on.

Rebecca Wicks (Cini)

## Get in the Game

To Region RRC

It time for you to get your game. Kings Langley Rovers are challenging all rovers to get in the game on the 6-8<sup>th</sup> August, 2010. Tickets will be \$30 prepaid and \$35 at the gate.

Promotion will start this weekend at BRC and Branch Ball. We are also planning on going around to different RRC's promoting the moot. We hope that tickets will be available in the coming week.

The moot site has been booked as Camp Ku-ring-gai which is located 27km from Windsor at Ebenezer. The camps site is of good size and has held Moots and Region camps before.

Our Activity coordinator has been working hard and all our activities are pencilled in. these activities cover everything gamey from traditional games to modern console games. We are test running some of the activities in the next couple of weeks at a group camp held at the same campsite as moot.
