

## **FROM THE REGION COMMISSIONER**

November is here! October was once again an exciting month.

I would like to congratulate **1<sup>st</sup> Blackheath** on their **Centenary**; I had the pleasure of visiting them once again. Sincere Congratulations to all involved with the 1st Blackheath Scout Group, BRAVO!

We have two new groups in the Region, both in the Hills District - **1<sup>st</sup> Rouse Hill** and **Castle Hill Coptic**. The new Rouse Hill group is meeting in the Rouse Hill Town Centre Community Hall. If any one would like to help out in any way with this new group, please contact Terry Brook the District Commissioner for the Hills.

Castle Hill Coptic are meeting at the Coptic Church in Castle Hill. I went along with Tony Dent and Terry Brook and had the pleasure of investing the leaders and youth members of the group. It was a great night!! New Joeys sang for us. Cubs and Scouts played some games. Same as for the Rouse Hill group; if you want to help out in any way or even just go along and visit, please contact Terry Brook.

I would like to personally welcome both these groups into the GWS Region and of course Scouting. We hope to see you both represented at Region events.

I also visited **Waratah**. Well, that was great afternoon. I saw the faces of some very worn out Venturers. I am very proud of the job that GWS Rovers and Leaders do and have done to give this experience to our youth. BRAVO-O-O to all of you that do so much!

Christmas is getting close so that means 2019 Jamboree is just around the corner. To all those that are going I hope you have started packing and your gear is right. **Remember our motto.... 'Be Prepared' for anything!**

Scoutlink training will be held on **5<sup>th</sup> December** for all those groups that need someone to be trained up. It will be held at Bundilla 7.00pm. Registrations are open on the EMS. It is a free event.

To all **Leaders in Charge and Group Leaders** - don't forget the **9<sup>th</sup> and 10<sup>th</sup> of February 2019**. I do expect that every Group in GWS will be represented over the weekend. This will be a full weekend of helpful information to start the new year.

Finally, as the year is coming to an end, we have to make sure that our **finance books** are up to date and prepared for **auditing in January**. I don't want to hear and will not accept any reason as to why they have not been completed. This is a compliance of the Australian Charities and Not-for-profits Commission which we must report to.

Any group that does not comply could lose the ability to fundraise. So please get your books in order now. If you require help or an accountant please contact me via email so I can organise the help required.

**Let's work together.**

Yours in Scouting

## DEPUTY REGION COMMISSIONER STRATEGY & DEVELOPMENT

This year has been a year of celebration, change and challenge.

### Celebration

110 years of Scouting and 100 years of Rovers are great reminders of the history of our movement. These milestones are important to acknowledge, especially in understanding where we have been over the last 100-110 years in Scouting.

### Change

The only constant is change, and in Scouting we are looking to innovate to stay relevant in the 21<sup>st</sup> century. With a new Youth program rolling out across our Region in the next couple of years, we see the biggest overhaul of the award scheme in decades, to better support and encourage our youth.

### Challenge

With great change comes opportunity and challenge. In 2019 we will be challenging ourselves to become stronger across Western Sydney, with several recruitment and promotional opportunities already in the plan for next year.

To kick this off, we have our annual Leadership meeting scheduled for the 9<sup>th</sup> and 10<sup>th</sup> of February 2019. Called **Vision 2021**, Group Leaders, Leaders in Charge, District Leaders, District Commissioners and Region Commissioners will be gathering to discuss the 3-year plan for our Region.

The first day of Vision 2021 will focus on Recruitment, Retention, Planning and Programming. This is important to ensure our movement remains sustainable and thrives in a changing environment. As a part of this day, we have secured one of Australia's prominent Paralympians a special guest speaker (more details to follow closer to the day).

Day two will be a special session for Chairpersons and Treasurers, covering good Parent Support Committee management and online systems to support the running of Groups.

Registration is at the following: <https://events.greaterwestscouts.com.au/event/174>

## Greater Western Sydney Region Strategy

Finally, I would wish you all the best for Christmas. Enjoy your break (and enjoy the Jamboree for those lucky enough to be going); looking forward to a great 2019!

## CUB SCOUT REPORT

---

### Two New Cub Packs for GWS

It was my pleasure to attend the official opening of the new **1<sup>st</sup> Rouse Hill Scout Group** (and Cub Pack) this week, which was opened by Dr Michelle Byrne, Mayor of The Hills Shire Council.

**Castle Hill (Coptic) Scout Group** (and Cub Pack) was also officially opened this week.

It is fantastic to see the increase in the number of Cub Scouts across the Region. Keep up the good work!

### Join in Jamboree

It has been great to see a number of Cub Packs running 'Join in Jamboree' programs this term. A program booklet has produced with several short-term (1 night) and long-term (weekend camp or four-week program) programs for you to pick up and run with. There is also a badge available for Cubs that have participated in the

program. If you would like a copy of the program booklet, please send me an email.

### Out and About – November 2018

It has been great to see so many Cubs participating in Cub Out and About activities this month. Well done to all that participated. Don't forget that badges are now available through each of the District Leader Cub Scouts at a cost of \$2 each.

**Hawkesbury District  
Cubs travelled to Bondi  
to visit Sculptures by  
The Sea.**

**Penrith City Cubs were  
Out and About at the  
Penrith City Real  
Festival, where the  
whole District  
ran several activities for  
the local Community.**

### Region and State Cub Pack Council

On 27<sup>th</sup> October 2018, GWS Cubs held their 2<sup>nd</sup> Region Cub Pack Council for the year, at Bundilla. The following eight Cubs attended, representing Cubs from within their District and from across the Region.

Zoe S – 1<sup>st</sup> Blaxland (Blue Mountains)  
Tobin B – 1<sup>st</sup> Blaxland (Blue Mountains)  
Raghava T – 2<sup>nd</sup> Kings Langley (Blacktown)  
Alex S – 1<sup>st</sup> South Penrith (Penrith City)  
Gwen G – 1<sup>st</sup> Glossodia (Hawkesbury)  
Indunil M – 1<sup>st</sup> Carlingford (Parramatta)  
Joshua B – 1<sup>st</sup> Hawkesbury (Hawkesbury)  
Olivia C – 1<sup>st</sup> Grose Vale (Hawkesbury)

A great big thank you for your participation and assistance with the Region Cub planning for 2019.

Indanil, Joshua, Raghava and Toby have been selected to attend the State Cub Pack Council on Saturday 17<sup>th</sup> November 2018, at Scouts NSW State Office in Sydney Olympic Park. Congratulations and well done to all!

#### Cub Calendar - 2019

The Region Seeonee Team have planned the Region Cub Calendar for 2019 in consultation with the Region Cub Pack Council. The dates and activities have been added to the Region Website Calendar.

## FROM THE SCOUT DEN

I am pleased to announce that the **2019 Jamborette** will be held at Cataract. I will be opening the registrations for Jamborette in the next 2 weeks. Yes it is early! This way you can all get your troops sorted and there will be NO excuses for late registrations!! I will be away for all of May 2019 so we need to be organised and not leave things to the last minute.

The name for Jamborette has been decided "**A Day in the Life of....Your true self**" and the badge design competition is open. So please get the scouts to send their ideas through as soon as possible. Entries close on 15<sup>th</sup> December 2018. Two districts have already decided their theme. The other districts should be thinking hard.

We will be holding an **Advanced Scout Leadership Course** next term 8-10th March 2019. Find the event on EMS. Register now! Leaders....Please tell your scouts to register. We don't want to have to cancel this event again!!

This last weekend I visited the **Centenary of 1<sup>st</sup> Blackheath Scouts**. The weather was perfect for it. There was some interesting memorabilia they had collected. One piece was the gazette from the 1952/3 Pan Pacific Jamboree held in Greystanes. I personally know one person that attended that Jamboree. This was the 1<sup>st</sup> time Lady Cubmasters were allowed to attend a Jamboree. There were 239 LCM from NSW, Victoria, SA and Malaya. If you would like more information on this gazette please contact 1<sup>st</sup> Blackheath Scouts – they may send you an electronic version.

Speaking of **Jamborees**... I was helping out on Saturday at the Packing Day at Cataract. It was organised chaos but we got through it. I know some people didn't receive some of their equipment but that should be rectified soon.

Please remember the **hat sizes** are NSW Contingent sizes and not the JOC sizes, so NSW Small = JOC XS and S, NSW Medium = JOC M and L, NSW Large = JOC XL and XXL.

**Transport** still has not been finalised but you should all have received an email regarding the timings for leaving day and return day.

I also attended **Harry Pottah 2019 Waratah** held at Ingleside. The scouts I saw and spoke to seemed to be having a great time. I'd like to comment on how well everyone seemed to be participating and enjoying the camp. Congratulations on such a successful event. BRAVO-O-O!!

I know some districts have been holding **Scout Youth Councils**. I know some have been struggling. I also know some troops have not submitted anyone to attend.

Heads up guys SCY is happening – it's not new! I have heard that some leaders do not even know what a Scout Youth Council is – obviously they have not completed their training! If you really are unsure of what Scout Youth Councils do, please contact me or the **Region SYC mentor Ayla Sloan** [gwssycmentor@gmail.com](mailto:gwssycmentor@gmail.com)

The Region SYC Mentor is there for you to help organise and run your Group and District SYCs. She also attends the Region SYC and State SYC with the scouts. Please involve her, she is there to help.

### Job Vacancy

I am looking for an assistant. This person should be under 30 with a passion for the Scout section and willingness to attend some meetings and visit troops. They should be enthusiastic and full of energy and ideas and able to communicate on all levels. This position will focus on the Youth Programme. Venturers are welcome to apply. Please send your **expression of interest** to me by **10<sup>th</sup> December 2018**. This could be a great leadership opportunity for the right person.

## Parramatta District Joeys GO BUSH

40 Joeys and their parents and Leaders attended the second Parramatta District Camp for Joey Scouts. We headed to Ingleside for a weekend of activities including low ropes, abseiling – Joey style, compass course, campfire streamwatch, nature crafts and community service including bushcare and tree planting.

The weather was warm, but with plenty of shade under the trees and opportunities to take a break with great food prepared by the Leaders and parents, everyone had a great time.

Now everyone is gearing up for the District Camp next year at Glenrock!  
Joey Scouts know how to have fun and GO BUSH!

## REMEMBRANCE DAY

On the 11th November, 1918 the guns in Europe fell silent as the Armistice between the Allies and Germany signified the end of hostilities; the end of World War 1. The 11th November, 2018 was a very special commemoration of 100 years since the end of World War 1.

Bravo to the many Leaders and Youth Members who attended ceremonies held all over the GWS Region, to show their respect and lay wreaths.

**Leaders and youth members from all sections attended the Remembrance Day Ceremony held at Blacktown Showground. Thank you to Brendan Richards ACSL, 1st Kings Langley (Impeesa Pack) for these photos.**

# GWSR ACTIVITIES

As most of you are aware, I am often running the mobile climbing wall for Scout Groups at a community event. *Certainly, a great way to help promote Scouting into the local area!* Like everything, the real success in an event often comes down to the effort put in by the Scouts groups involved.

I must say a huge BRAVO to Steve Wallace, and the all the team from Penrith District, who did such a great job of promoting Scouting to the wider community at the recent Penrith REAL (Riverside Entertainment, Arts & Lifestyle) Festival. Along with the climbing wall they also had the horizontal bungee set up, and over the course of the day, and right through to 10.00pm on the Saturday night, there was a constant stream of participants eager to test their skills.

But the real success of this event was the set up of an **information stall**, with flyers representing all groups in the District, and with leaders present and ready to explain what Scouting all is about. It was one of the best I have seen, with a large number of quality enquiries, about joining up.

**It was into the night as well,  
with a constant stream  
of participants & enquiries.**

***Photo Steve Wallace***

Our Rock Team was also outing playing on cliff faces again with a rather warm weekend abseiling at both Bowen Mountain and Yellow Rock. Day One was learning the skills and Day Two involved putting those newly learnt skills into action. Big thank you to Stuart Cowen, David (Macca) McKinley and Paul Jefferies who helped out on the weekend.

As I have just mentioned, the warmer weather has certainly kicked off early this season with our first Heat Wave and Total Fire Ban coming into effect. Listening to most reports it is going to be a long, hot summer. So where does this place activities, and in particular Bush Walking Activities during periods of Total Fire Bans. We have already had a number of Bushwalking Activities cancelled due to Total Fire Bans.

## ***The following is an extract taken directly from the Bushwalking NSW Website.***

### **Before you go**

- Check with the local fire authority that there are no bush fires or hazard reduction burns in the area you are planning to walk in.
- Check the Bureau of Meteorology weather forecast prior to commencing any activity, particularly a multi-day activity. Cancel the activity if windy conditions and high temperatures are predicted.
- Do not go bushwalking on days that are rated severe, extreme or catastrophic on the Fire Danger Index.
- Many NSW National Parks are closed on Total Fire Ban Days. A Total Fire Ban will generally not be declared until 5 pm the day before it takes effect. An activity must be cancelled if the park manager declares the park or any of the tracks or trails closed.
- Note features on your map where you could shelter if caught in a bushfire, such as rocks, hollows, embankments, streams or roads.
- Notify someone of your route, expected time of return, and the participants.

### **Manage risk while bushwalking**

- On multi day activities if a Total Fire Ban is unexpectedly declared (or suspected) leave the park early. If this is impossible, find the safest place possible to spend the day.
- On a multi-day activity use a mobile phone and/or a portable AM/FM radio to monitor news bulletins for information on fire activity, fire danger ratings, total fire bans and park closures.
- Carry a Personal Locator Beacon (PLB) so that emergency services can locate you if necessary.
- From November to April, bring some no-cook meals and water purification solutions that will work without a stove, as naked flames of any kind are forbidden on Total Fire Ban days, including; all campfire and solid fuel (wood, heat beads, charcoal, briquettes, hexamite) and liquid fuel (petroleum, oil, methylated spirits, kerosene) barbecues and stoves.
- Extinguish all candles and camp fires before going to bed, ensuring the ashes are cold.

### **What to do if caught in a bushfire**

- Call Triple Zero **000**
- Move to a cleared area. You can't outrun a fire. Look for shelter in rocks, hollows, embankments, streams or roads. Do not hide in water tanks. Remember that radiant heat can be as deadly as flames.
- Head to a lower area, not uphill, as a bushfire will rapidly ascend from valleys to ridges.
- Drink plenty of water and cover your mouth with a damp cloth.
- Keep low and cover your skin.
- Move to burnt ground once the fire has passed.
- As a last resort only, you may need to run through the flames to a burnt-out area. Choose a relatively clear area where flames are less than a metre high, take a deep breath, cover your face and run.
- Contact someone to let them know your situation as soon as possible.

***More information can be found on the [Rural Fire Service website](#) including the brochure***

#### ***Bushfire Safety for Bushwalkers***

I know lots of planning can go into any hike. (*Been there done that, still there still doing that!*) It is always frustrating when a hike you have carefully planned has to be cancelled at the last minute due to unfavourable conditions. However, I would hold any Scout in much higher esteem if they planned a hike and then cancelled hours before due to Fire Risk rather than a Scout who proceeds without diligent care, putting themselves and others in real danger.

**Consider the time of year when planning hikes.  
Consider locations when the Fire Danger level is at its highest!**

## VENTURER REPORT

I would like to congratulate **Tim Mark from 1st North Rocks** and **Chloe Harris from 1st Oakville** on achieving their **Queen's Scout Award**.

GWSR Venturers held our annual Waratah event on the weekend of November 9 to 11. Approximately 170 Venturers in 30 teams attended the event with support from over 70 staff comprising Rovers, leaders and helpers.

**Winners of The Waratah Award** (overall winners) were **Voldy's Moldies from 1st Blaxland**, **2nd Place** went to **Ron and Hermione's Divorce Lawyers from 1st Blaxland** and **3rd Place** went to **Spells Like Teen Spirit from 1st Kellyville**. The **Mountain Devil Award** for best out of region team went to **Order of the Golden Phoenix from 1st Dubbo and 3rd Orange**.

Thanks to the Waratah Fellowship for their support and the activity director Andrew Cross from 1st South Penrith, and the team comprising concept, activities, administration, catering and welfare. I will provide more details next month.

Otherwise, October was busy with the sound of Units preparing for Waratah.

## STAN BALES AWARD

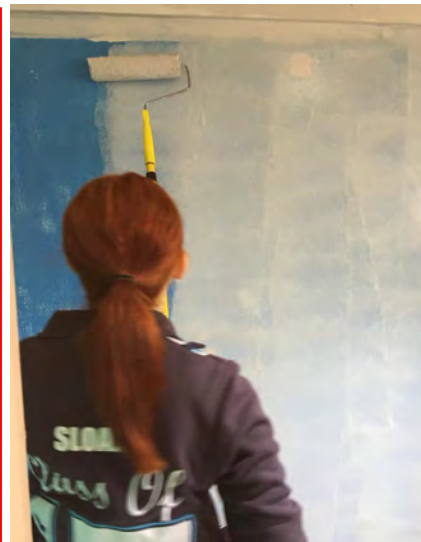

Congratulations to **Ayla Jones and Angus Boxall** for receiving the Stan Bales Rover Service Award! This award is the peak Service Award for NSW Rovers; it recognises exceptional and continual service to the Rover Section over 5 years.

Ayla performed service at all levels of Rover governance. She was a Crew Leader at 2nd Castle Hill Rover Crew Assistant Crew Leader, RRC Delegate and helped train a large number of members through her work on several Basic and Advanced Training Courses.

**Bundy Service Camp** was a great weekend, with many crews attending from across the GWS Region. They all had a great time making Bundilla great again!

They did a lot of jobs including painting, carpentry, cleaning up rubbish, electrical fixes, and even going through archives that went all the way back to the 1920s.

A fantastic time was had at the **October Advanced Practical Supplement Course** at Baden-Powell Scout Centre. Thank you to Harry Lantry and his team Ian, Rachel, Hugh, Walter, Clair Jonathan, and Catherine for spending their weekend running the APS for the participants Amber and Andy from GWS region and Mia, Laura, Tamlyn and Tymon. They had a fantastic weekend learning about the ins and outs of the Roving world!

# #ROVERS100

Nepean Rover Crew took Service 100 to the next level by helping out at a local school's Colour Run fundraiser.

Kings Langley Rovers had a lovely dusk booting out at Cattai National Park for their long serving Rover Knight **Harry R Provins**. Harry will be a dearly missed member of Kings Langley Rover Crew.

## RADIO, SCIENCE & TECHNOLOGY

---

**Make a D Cell and use it to drive a circuit:** The last Friday in October found us at 1<sup>st</sup> Carlingford Scouts to teach them how to make D cells (you may know them as batteries). This was the first time we have run this program, so I was interested in any hiccups that might occur.

The aim of the night was to make a cell from a Zinc case, Carbon rod and a mixture of carbon soot, manganese dioxide and zinc chloride. To test that it worked, a light bulb was included in the cell kit.

As we put the Cells together I asked each group of Scouts what they thought of the process. To my surprise they were quite fascinated and involved in the mechanical process, and elated to eventually see the light bulb glow. They also learnt that *dry* cells are actually *damp* cells (water dissolves the zinc chloride and allows the ions and hence the voltage to flow).

To use the newly working Cell, and make the night more relevant and interesting, I used four of my cub kits which ran off 1.5 volts and were easy to put together. Each Scout picked a kit they wanted to make and was assisted by one of the team to assemble the kit and get it working. Hiccups? Er yes! All the night was taken up making a Cell and then the Kit it drove! The carefully planned electrochemical theory and cell-battery investigation went out the window.

We have any evening in November or December free, so there is still a chance for your Scouts or Venturers to make a D Cell this year or book us early for 2019.
