29 March 2010

Dear Members of Scouts Australia NSW,

On 29 January 2010 we wrote to inform you of the State Executive Committee's decision to increase membership fees for 2010, with a further increase to be applied in 2011. The State membership fee has held steady at \$78 per annum (or \$21 per quarter) for the last two years. At its meeting in December last year, the State Executive Committee resolved to increase membership fees for 2010 to \$90 per year (or \$24 per quarter) and again to increase membership fees for 2011 to \$120 per year.

In that letter we also informed you about the Medium Term Financial Plan being developed by the State Executive Committee, with both income and expenditure being reviewed in that process. Please note that while the 2010 membership fee has already been set at \$90 per year (or \$24 per quarter), the decision to set the 2011 membership fee at \$120 per year is part of the review associated with the Medium Term Financial Plan. If this review concludes that the financial position of Scouts Australia NSW is significantly better than currently appears, then the State Executive Committee will consider revising the amount of the 2011 membership fee. Any such revision will be made and communicated by December 2010.

Yours in Scouting,

Grant De Fries
Chief Commissioner

Neil Cutler
Chairman, State Executive Committee
